Matopo Ingwe Lodge Privacy Policy

Matopo Ingwe Lodge is concerned with any privacy issues and we would like to make you familiar with how collect, use and disclose information. This Policy covers the company's website, social media accounts or any bookings sites. Information provided to Matopo Ingwe Lodge or collected directly from these media sources will solely be used in connection with the experience of the guest. It will be used to enhance the experience and at no time will it be sold to any third-party company for profit. By providing any personal information to us you agree to the terms and conditions of this privacy policy.
